EDUCATION

Bachelor of Science - Informatics

January 2025

Del Institute of Technology, Toba, West, Indonesia

I used to study at 58 Jakarta senior high school then I continued studying at Del Institute of Technology in 2021 until now. It located in Laguboti, North Sumatra. I majored in Informatics. I already made a few projects such as, portfolio website using laravel, redesign library website using figma, and many more. I have also completed several achievements, both academic and non-academic.

PROJECTS

- SPMB IT Del | Technologies : Bootstrap, PHP, Laravel, SQLyog, Katalon, Figma
